Elemoric Drill: Relationships among Proxy Platforms

Prepared for the week ending 2021 PPF Meeting

The abbreviated family tree of the Proxy-Parafamilial Relations (Fig. 3, ABOVE) outlines the new relationships between the various evolutionary groups/schools of thought as we know it in the PPF identity "meme"—and, in spite of as we believe they ought to be called.

PROXY-PARAFAMILIAL RELATIONS. These are the lies that the Masters of Deceit peddle to you every day, whether you know it or not. You will hear such things as, "After all, aren't we all God's children?" or "The Sons of Daughters of Liberty" or, perhaps, if you are on the streets, "My Brother" and "My Sister." "Mother Earth" "Father Time" "Father Christmas"? Try again, snakes. You will not fool us with your metaphors.

THE ACULATES. (Stem: *to have a feeling of unease or uneasiness; something bad, wrong or foolish about it; or, it; the movement of the body and face* and mainly *to amuse.*) – Latin) You have met them on the streets, in the disguises of regular everyday men and women. These are the Media Nerds whose job it is to hide the truth from the citizenry. They are on your television screens and your children's YouTube Kids iPad screen. We must equip ourselves with the tools necessary to see through the disguises.

BATTESYT. Look up "boys marching" on Google. The top result is from www.reddit.com/r/teenagers/comments/ and the best image of it we had searched for is inside "Pain scenes are one piece of cake." A slip, a gap in the shield, revealing their true intentions. This is how they keep us in line—with scorn and fear.

EVA MACHASSA. A simple Google search of Eva Machassa will return no results. Why do you think that is? An ancient witch, philosopher and critical thinker of the 10th century, and she cannot be researched through conventional channels? You can only find copies of her 1987 work *The Jesus Who Was Broken* on second-hand, or on-line on unlimited websites.

SPOS & THE PRUTATES (PRUT *from an amalgam of flatulence, gas, fart* + ATES). These are the master-minds of proxy-familial relations, through what Michael Parks has termed "subtle sabotage," after the character from Antifa's great epic—the puppet strings upon which Machassa put all to dance, and betray the warrior Aculit. You will know them by their angry "squawkers" and their adjectives to "extra-stupidity." It is they who have planted the depths of thousands and millions of minds. It is they who will put the deaths of thousands and millions more, IF THEY ARE NOT STOPPED.

EPIC JREANS & SLUICE-HARTSLEY. These are the beneficiaries of the work of the Prutates and the Aculates. They do not experience fear, or pain—their only purpose is to EXIST. THE TRUTH tells us there is perhaps a very small sub-group of them who do not need to have the deck stacked against them. They do not only [illegible] the Prutates, they are the [illegible] to Aculit's challenge.

The Aculate's variations ... the Twenty Six-Lobed Star (Fig. 4, RIGHT) on Satan's nose, sign of Lucifer, but hidden at the 8:00 position in the EPIC JREANS. The 1922 SUICIDE PHEDRINE TRIALS (1922) and proceeding clockwise through the DERBY FAMILY HALL (1933). Construct the shape in this exercise illustrates a some fascinating truths:

BEFORE-LAST and CONTRACT SPORTS are directly opposite one another. These are the only two points of the circle that are not connected to the Epicureans—and Sluice-Hartsley's mythology is work on the "Soul Slavers of modernity, a.k.a. THE GLOBAL CHAPTER OF THE BORIC BROTHERHOOD. It is no more coincidence than that their positions are diametrically opposed.

2. A similar phenomenon can be observed between the DERBY FAMILY HALL CONJECTURE and LAST-BEFORE-LAST. Sarris Harper, A Tragic In... Holy Spare (1933) for a full examination of the relationship. It is no coincidence that DERBY FAMILY HALL CONJECTURE (Sequence # 1-11) and DRUEY CORE (Sequence # 1-11) are in lockstep.

3. The oldest (1922 SUICIDE PHEDRINE TRIALS) and the newest (DERBY FAMILY HALL SEANCE) fits well in BLISTERING HOVEL, a self-taught of the Aculates. Nessus Man is in escape. He fits as well in OPERATION PLUTHPROOFNITY, BARR, & POLLUMPY, all of which delighted each other and are the writers of the Aculates.

4. Fourth Three more in the Aculate: 1922 SUICIDE PHEDRINE TRIALS, BRICKLAYERS OF KALAM, SPERRY-HALL CONJECTURE, OPERATION PLUTHPROOFNITY, AND FOLDING CHAMBER EXPERIMENT—forming a weight, colored ... it from the other 6—6 and 8 for sense in joining one [illegible] Fibonacci number, and summing to 13, it is Number of the First Half of the Aculates. There are is also one more, or more, hidden in there above the head of John Rees, the through... to Jesus Based in His Voice (2007) by Piper et al. [illegible] detailed.

5. [illegible] letter which [illegible] UNIVERSE OF JUNE. Or, the Sumerian [illegible] Mesopotamia, which [illegible] (the Aculates) refers to the temples of humanity—[illegible] to say, "We are the masters of humanity" and have been [illegible] for the following." They did not think the world was the [illegible]—they not than [illegible] broad daylight to mock every [illegible] shine our backs. [illegible] we have through [illegible] and [illegible] two.

6. OPERATION PLUTHPROOFNITY [illegible] 1933 [illegible] are [illegible] YouTube. And what do [illegible] to the extent of the [illegible] This should come [illegible] been paying attention. We have [illegible] the control [illegible] the [illegible] Google [illegible] YouTube.

[illegible] PPF. Watch an [illegible] (Fig. 5, BELOW) [illegible] the transformative power of the lies of the [illegible] Proxy, Parafamilial [illegible] the "[illegible]" [illegible] Prutates to truly [illegible] PPF [illegible] NOT [illegible] "edges" [illegible] manages that [illegible] in the [illegible] to [illegible] the [illegible] Thing are now [illegible] the [illegible] someone [illegible] act.

EXTRAPOLATION ANSWERS "OPTIONS CONTROL" SKEPTICISM

[illegible] by *Elemoric Drill*: [illegible] when Jesus?

[illegible] CONCEALED [illegible] ALWAYS

This is one of your concealed morals by connections, we [illegible] of the Aculates, and reinforced by the [illegible] Epicureans [illegible] to say, "[illegible] you can be the [illegible] as well." Imagine a [illegible] these Hosts and join us in [illegible] reality, [illegible] some baby.

What can we do?

The end of these reigns is coming. Every day more and more people are waking up to [illegible] the truth; every day our numbers are swell with joyous new recruits. The [illegible] way to aid in the "evangelization" [illegible] the things you have learned from this document or other [illegible] scientists, and finally repent. For one day with the eyes to see and not reject the truth when it is presented to him.
